RURAL TEACHERS PLAN BIG MEET

COUNTY SUPT. RECEIVES REPORT FROM ASSISTANTS

MANY VISITORS EXPECTED

Prof. Cooper to Jefferson Township Today to Aid in Arranging Program for District

County Superintendent Bert Cooper is receiving encouraging reports from all over the county about the meetings to be held April 8 and 9 in the campaign of rural education. The Rev. Father Placid, manager of the campaign in Jefferson township reports that every school in his district will hold meetings as listed and that a great deal of interest is being taken in this campaign.

The Southwest district, J. N. Geyer, manager, reports meetings scheduled 100 per cent as listed and every school nearing complete arrangements. The north district, Superintendent George W. Somerville, manager, reports their preparations nearing completfon and the prospects are splendid for a great campaign. Prof. Somerville has met with some inconvenience in arranging schedules on account of one of his vitalized agriculture teachers who is to take a demonstration team being sick with the measles but another team will be supplied and all engagements met. Miss Ruth Miller, the teacher is not able to go with her group at this time.

Prof. Cooper went to Jefferson township today to work with the teachers there on the program to be given at these meetings.

Thirty or forty vitalized agriculture teachers in addition to twenty or thirty other teachers will meet in Maryville Saturday afternoon for final arrangements for the campaign.

Members of the Chamber of Commerce from Maryville as well business men from other towns in the county are arranging to attend a number of these meetings.

PLAY GIVEN IN SUPPORT OF WAR ORPHAN—A SUCCESS

Philomathean Literary Spicety Presented Excellent Play at State Teachers College Last Night

The audience which witnessed the presentation of the play, "The First Lady of the Land" by the Philomathean Literary society at the State Teachers college last night, was highly pleased and thoroughly enjoyed the performance. The characters were well adapted to their roles and the play abounded in clever situation huomorous happenings, pretty scenes and costumes.

The leading parts were taken by Kenneth Carter, Myron Babby, and Carrie Coler who as Aaron Burr, James Madison and Dolly Todd proved to the world what tragic situations arise over the love of one woman. The story centered around the diplomatic life of Washington during the administration of Thomas Jefferson with Burr's dream of the conquest of Mexico, the jealousies of the ministers from England, Franceand Spain all entering into the plot.

Charles Wells as Baron Von Berckel, minister from the Netherlands and Miss Maude Fleming as Frou Von Berckel, were quaint Dutch characters who added sparkles to the play. The conceited Mrs. Sparkle played by La Vora Hudson and her fun loving daughter by Miss Lois Hankins. Viola Barbar as the raving lady Angela Merry and Blanche Landfather as her sister were characters which added life and hilarity to the performance.

The proceeds of about $200 will be given by the Philomathean society for the support of their French war orphan for another year.

Mrs. Peacock was 60 years old and formerly made her home at Quitman. She is survived by five children, Mrs. Clara A. Mathes, Mrs. Libby P. Mathes Benjamin H. Peacock all of Kansas City, Guy A. Peacock of Cope, Colo. and Frank W. Peacock of Hughes, Col.

Formalin Treatment of Seed.

Treatment for potato scab and several kindred diseases. Treat before cutting the potatoes with a solution consisting of one pint of 40 per cent formalin in 30 gallons of water. Place the potatoes in sacks and immerse in the solution for from 1½ to 2 hours; or, according to the University of Missouri, a more efficient method if to heat the solution to 122 degrees Farhenheit and soak for three minutes. Scatter the potatoes on the floor to dry before sacking.

Scab may exist in the soil, especially in soil where potatoes have been grown. Lime and manure stimulate the growth fungus if it is in the soil, hence the saying that manure causes scab. Treatment of seed will not prevent infection from the soil. If the soil is badly infested, rotate the crop.

If not certain that seed oats are free from smut, treat with formalin. Most farmers are familiar with the method of preparing and using the formalin treatment for oats which is as follows.

Place the seed oats on the granary floor and sprinkle with a solution consisting of one pint of 40 per cent formalin and ten gallons of water. This is enough for 40 bushels of oats. Shovel the oats so that the solution comes in contact with all of the oats. Cover the seed with tarpaulins or sacks for two or three hours. The seed may be planted the next day, or it may be dried carefully, sacked, and not planted for a month after treatment. Be certain that the seed is dry when sacked.

Disiufect the sacks in which the seed is placed.

GERMAN GOVT. LAUNCHES ATTACK AGAINST REDS

Sending Toorps and Artillery into Ruhr District—Disorders Break out in Stuttgart and Other Cities

London, Mar. 31—The German government is sending infantry, cavalry and artillery tanks for an offensive against the reds in the Ruhr district according to an exchange telegraph Munster dispatch today. Both sides in Westphalia are preparing for further hostilities. Developments in Germany today failed to bring official confirmation of sensational reports late Tuesday of new Communists uprising through out the country.

London, Mar. 31—Another newspaper dispatch declared disorders had broken out in Busheldorf, Stuttgar, Elderfeld an dother cities.

London, Mar. 31—German government troops are making numerous armoured car attacks from Wesle, in the Ruhr district and driven back the reds capturing munition, including dumdum bullets according to a central Berlin dispatch this afternoon.

FORD'S GASOLINE STREET CAR SOON TO UNDERGO TEST

Detroit, Mich., March 31—Henry Ford's new gasoline street car will be ready for its run to Chicago in about a month.

This test car is designed for interurban service and in addition to a power plant it is being equipped with a suburban type body, standard railroad draft gear and air brake equipment.

To demonstrate the lack of vibration when the motor was running at top a lead pencil was balanced on end on top of one of the cylinders, where it stood without a tremor until removed.

It was explained that while the car could be run at any speed to eighty five to ninty miles an hour, the engine would be equipped with a governor, which would be set at a fixed maximum speed to insure the safe economical operation of the car in practice.

SEED FROM ALFALFA HAYSTACK BRINGS $1,200

Whitewood, S. D.—The taking of a second look at an old alfalfa haystack enabled Hans Cartersen, a rancher near here to add $1,200 to his bank account.

A few days following the "second look" a threshing outfit hove in sight and Cartersen decided to have the seed threshed as "demonstration." The stock yielded 3,200 pounds of seed, which Carfersen sold at thirty nine cents a pound.

CHICAGO STRIKE AFFECTS NATION

SITUATION SERIOUS—SYMPATHY STRIKE MAY BE CALLED

15,000 WORKERS OUT

No Live Stock Being Shipped into City—100,000 Workers Out Unless Settlement is Immediate

Chicago, Mar. 31—A strike situation even more serious threatened today when labor officials declared the packing house workers throughout the country be called out on sympathy strike unless the demands of live stock handles for higher wages be met. Fifteen thoisand yard workers are now out. Two federal labor mediators are enroute from Washington to settle the strike. Unless settlemen is reached a national wide meat shortage is certain.

The men are demanding an increase of $30 monthly. The stockyard company is willing to increase the pay, it was said, but wants the question arbitrated.

The public became cognizant of the power these cattle feeders in the Chicago stockyards wield when the day wore on and not one solitary cow was received. Fifty thousand head of stock, which, in round numbers, go through the yards here daily, were diverted to yards in other cities.

Then the price of meat began to soar. Wholesale prices advanced 1 to 5 cents.

Within three days the Chicago packing houses will have to close, it was predicted by packer officials. If the strike continues. Late today the workers voted to continue the strike.

This will mean, first that one hundred thousand men will be thrown out of work unless there is an immediate settlement.

Then the surplus stock, diverted to Kansas City, Omaha, St. Paul and East St. Louis yards now, will stop, for commission houses in Chicago yesterday wired all farmers and other shippers to stop stock shipments.

What causes Indigestion

An excess of acid in the stomach sours the food and starts fermentation. Distressing gases form. Your meals dont digest but lay like lumps of lead. Then you have heartburn, flatulence, fullness, belching, headache, and real misery in the stomach and intestines.

A few tablets of "Pape's Diapepsin" bring relief almost as soon as they reach the stomach. "Pape's Diapepsin costs little at drug stores. ADV

A WONDERFUL HELP

At Two Stages of Life Lydia E. Pinkham's Vegetable Compound Made Mrs. Fairburn Strong And Well.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the dropsical effect which so often develops at such times. It helped me wonderfully. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women, 'Take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIRBURN, 606 Orchard Knob Avenue, Chattanooga, Tenn.

For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

Re-creation and Musical Quality

Most any phonograph can play "jazz" records. Music that depends for its quality on as many sounds and as much noise as possible is not difficult to reproduce.

But a phonograph that actually RE-CREATES the living voice of one of the world's greatest sopranos,

ANNA CASE

is truly a musical instrument of quality. The New Edison reproduces that kind of music with such perfect fidelity that the music of the Edison cannot be distinguished from the voice of the artist—even when they are heard together, as has been proved in thousands of tests before large audiences.

You can hear that kind of music at our store any time.

Come and hear Sergei Rachmanioff, the greatest pianist in the world.

Edison "created" the phonograph—The New Edison "re-creates" music.

Fighting Hunger

Hunger is never more than a few days away from the American people.

The coal strike showed us what a narrow margin the country goes on, even in a non-perishable necessity which can be stored.

Swift & Company is engaged in the business of fighting hunger.

From coast to coast, from the Great Lakes to the Gulf, the lines of defense are drawn—packing plants at strategic points; branch houses in four hundred towns and cities; hundreds of car routes; thousands of refrigerator cars; tens of thousands of loyal men and women expert in their work.

Day by day, hour by hour ceaselessly, this fight, your fight, goes on. Yet so smoothly, surely and victoriously that you, unaware how close hunger always is, are as certain each night of tomorrow's meat as you are of tomorrow's sun.

And so economically is this done that the cost to you for this service is less than three cents a pound of meat sold. The profits shared in by more than 30,000 shareholders whose money makes the victory possible is only a fraction of a cent a pound on all products.

If hunger did not make it necessary for us to fight this fight in the best possible way for all concerned, the competition of hundreds of other packers, large and small, would compel us.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 10c and 25c.

WELL KNOWN MISSOURI FOLKS

St. Louis, Mo. —"Dr. Pierce's medicines have been a wonderful help to me. Some years ago during each winter I would get run-down and catch cold, which would leave me with a very bad cough that usually bothered me nearly all summer. I took Dr. Pierce's Golden Medical Discovery and it cured me so completely that I have never had any return of this condition. I have since taken Dr. Pierce's Favorite Prescription during expectancy and afterward with wonderful results. No woman should try to go through this condition without the use of 'Favorite Prescription.'"—MRS. M. A. HARRIS, 1420 S. Cardinal St.

A Woman's Weakness — Operation Was Advised

Carrollton, Mo.—"I was very poorly with woman's weakness. Had consulted with three doctors and they all advised an operation. A lady friend advised me to try Dr. Pierce's Favorite Prescription. I was in bed when I began to take this medicine, but by the time I had taken half a bottle I was up on my feet. I took seven bottles in all and was then well enough to do all my work and felt fine. I got very stout and felt just as I did when I was young. It is certainly a grand medicine and I have often recommended it to others."—MRS. MARY STANDLEY, 211 E. First St.

When Run-Down and Nervous

Chillicothe, Mo.—"For four years I had pains in my back and in the back of my head. I was all run-down and nervous. Was practically in bed for a year. My mother advised me to try Dr. Pierce's Golden Medical Discovery so I took it and was helped almost at once. I only took three bottles of it and have been better ever since that time. I know it is a fine medicine."—MRS. G. C. MARPLE, 421 East First St.

FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, $1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size $2.50.

Taylor Holmes in Lively Farce

Taylor Holmes in "Nothing But the Truth" is announced as the feature attraction at the Electric theatre for a run of two days, beginning tonight. "Nothing but the Truth" is a picturization of Frederic S. Isham's entertaining novel that was made into a stage farce for William Collier by James Montgomery. In its dramatic form the farce constituted one of the outstanding successes of the theatrical season, and its humorous values have been heightened in the screen version so that it is said to be one long gale of merriment from beginning to end.
